UNI Presidential Search Committee Announced

The Board of Regents, State of Iowa has announced the names of the University of Northern Iowa Presidential Search and Screen Committee. The committee is charged with identifying finalists for the Board's consideration to become the next president of the University of Northern Iowa.

The committee, which will work in conjunction with AGB Search who was hired to help facilitate the search process, will be co-chaired by Regent President Pro Tem Katie Mulholland and Daniel Power, UNI professor of management information systems.

"We have put together a committee that is diverse, inclusive and representative of the UNI community," said Mulholland. "The selection of UNI's next president is a critical task, and we take the charge of assisting in that process very seriously."

"Over the next several months, our group will work hard to find well qualified candidates to be the next president of UNI," said Power. "We will do this in an open and transparent manner. We look forward to working together to find the next great leader of UNI."

The committee will hold its first meeting on Monday, August 29 at 11:30 a.m. in the Presidential Room of Maucker Union on the UNI campus.
